

How to Use wpshealth.com

Quick Reference Card

WPS Health Insurance has a new, updated website that's mobile-friendly and makes information easier to locate. The site gives you access to important health plan documents and information, plus online tools, wellness information, and much more right from your computer, tablet, or smartphone. Some of the content has moved, so please take a few minutes to familiarize yourself with the new, more streamlined navigation.

Find Information Faster

1 Main navigation: Get to the information you need right away by choosing one of the categories at the top of every page. **Customers, Agents, Employers, and Providers** can all access their login pages. You will find information on **Plans and Products**, supporting **Resources**, and a link to **Get a Quote**. Our popular **Find a Doctor** tool and **Contact** information can also be found in this area of every page.

2 Plans and Products: These links take you directly to plan-related information so you can get all the details you need to help you make your coverage decisions.

3 Quote or Enroll: Ready to choose? Go directly to our quote page or to our enrollment form.

4 In Their Own Words: Hear what people have to say about their experiences with WPS Health Insurance.
