

VAPC3 EDI CONNECTION

Electronic Media Claims Approved Billing Services (B), Clearinghouses (C), and Vendors (V)

The EDI Connection is a guide to billing services, clearinghouses, and software vendors for electronic claims. The following firms have developed software programs for in-house computer billing and/or are billing services who have tested and are approved to submit WPS Military and Veterans Health claims for the Veterans Choice Program (VCP) and the Patient Centered Community Care (PC3) programs by electronic media to WPS.

The listing should not be construed as a recommendation or sponsorship by WPS Military and Veterans Health for any organization that appears on this listing. Specific services and financial arrangements must be made between vendor/billing, service/clearinghouse, and provider/supplier. WPS will not be a party to any such arrangements. This listing is arranged alphabetically and is being provided to you solely for your convenience.

****Please Note: Providers should use this Payer ID in their system as the Clearinghouse will then convert to the universal Payer ID of VAPCCC3.**
